Target Audience

This qualification is aimed at frontline workers in Education, Health & Social Care, Community Workers or anyone who comes into contact with children and their families.

Course Details

The qualification will focus on:

- Potential risks & types of cyber bullying users may be vulnerable to, when using social media platforms
- Identifying roles & responsibilities to keep users safe online
- Understanding behaviour change due to cyber bullying
- Importance of reporting cyber bullying/cyber abuse
- Developing & maintaining safe ICT user habits
- Your staff will benefit from a greater awareness of the security & safeguarding risks when using online resources and improved confidence in being able to identify concerns.
- Since September 2014, Ofsted now reports on 'Effectiveness of Safeguarding Arrangements', including e-learning - this **will** impact on your grade awarded for: Effectiveness of Leadership and Management.

Cost

£355 + VAT per person (or £555 for Cyber Bullying and Safeguarding SLA clients only)
