Working at Heights

Understand Working at Height Regulations

Target Audience

This session is designed for all staff that are required to undertake working at height activities.

Course Details

This course will provide an understanding of: -

- An overview of the Working at Heights Regulations 2005
- Hazards associated with working at heights
- The importance of risk assessments
- Choosing the right access equipment
- Working on fragile surfaces
- Working environment
- Safe use of ladders
- Ladder Inspection

Participants will have a short assessment through observation followed by a question paper.

A certificate of attendance is issued upon successful completion of the course.

Cost

SLA & H&S SLA Clients: £95 + VAT per person
Non-SLA Clients: £120 + VAT per person
