Safer Recruitment

Gain the safeguarding skills needed for recruitment in schools

Target Audience

This session is designed for school personnel.

Course Details

With this accredited training course, you will gain the safeguarding skills you need to better protect children while recruiting staff and volunteer roles in education.

Safer Recruitment looks at what you need to do, in order to safeguard children and young people from unsuitable individuals who might apply to join your organisation. The course covers the recruitment process through four concise learning modules, including job interviews and vetting checks, and the importance of ongoing vigilance.

There are a variety of interactive learning methods utilised in this one-day course:

- teaching pages
- film and audio clips
- reflective tasks
- activities and quizzes

Certificate issued upon completion. Book now to ensure your school is applying best practice in all aspects of safeguarding, including recruitment.
